Dear Business Owner:

My name is _____ and I am the _____ of a (person/individual/child/loved one) with a disability/ I have a disability. I write to you on behalf of my _____ and the Changing Spaces Campaign. We advocate for true community inclusion for persons with disabilities.

While handicapped accessible toilets may meet the needs of some, standard disabled toilets do not meet the needs of millions of children and adults who have the medical need to wear diapers/briefs, and have passed the weight limit to use a baby changing table. These people have no choice but to be changed on unhygienic restroom floors or in the trunk of their car in public view. Consequently, many individuals with special needs and their loved ones may not visit your facility due to the lack of restroom accommodations.

I am asking you to consider installing a height-adjustable adult-sized changing table in your business. By adding an inclusive bathroom, you will:

1. Expand your customer base. Families will spend more time patronizing your business without the worries of meeting the toileting needs of their loved ones.
2. Promote inclusion in your business.
3. Make a great impact on the lives of individuals with disabilities, allowing them the dignity they deserve and the opportunity to be as equals amongst others in society.
4. By installing this feature, you will be removing a barrier and you may qualify for tax incentives under the ADA.

Please lend us your support by considering a change in your restroom facilities. If there are any further questions or concerns, please contact me via the information listed above.

We appreciate your attention in this matter and we thank you for your time and consideration.

Sincerely,

ADVOCATE, CHANGING SPACES CAMPAIGN
